 - Ability to assist applications with a very quick and efficient turnover time
 - Demonstrate the ability to meet KPI's on a regular basis as discussed with my career coach.
 - Have demonstrated a Net Promoter Score of 70+.
 - Have gained multiple recognitions from within the business based on my care, courage and commitment for my current role as a Home Lending Specialist
-

EDUCATION

Mar 2023 — Present

Diploma of Information Technology, Coder Academy

Brisbane

Currently studying at Coder Academy with hands-on experience in full-stack web development and a strong foundation in modern programming languages and frameworks. Completing an intensive 6 months bootcamp where I will gain practical skills in front-end and back-end development, including HTML, CSS, JavaScript, React, Node.js, and database management. Developed and deployed several dynamic web applications, showcasing proficiency in agile development methodologies, problem-solving, and collaboration within cross-functional teams. Committed to continuous learning and staying up-to-date with industry trends to deliver innovative solutions and contribute to organizational success."
